

ROBERTO DANDI

CURRICULUM VITAE

PERSONAL DATA

Place & date of birth: Roma, Italy, October 19th, 1974
Nationality: Italian
Address: Luiss Business School
Via Alberoni, 7 – 00198 - Roma, Italy
Phone: (+39) 06-85222356 (office); (+39) 3332421253 (mobile)
Email: rdandi@luiss.it
Personal website: <http://docenti.luiss.it/dandi>

RESEARCH AND TEACHING INTERESTS

Healthcare Policy and Management, Health Information Systems Management, Social Care Policy and Management, Quality Management, Organizational Network Management, Organizational Behavior, Organizational Design, Knowledge Management

ACADEMIC ROLES

Since May 2012 **Assistant Professor** of Management at LUISS Guido Carli University
Since Jan. 2007 **Research and Educational Program Coordinator** at the Public Administration and Healthcare Area of LUISS Business School at LUISS Guido Carli University, Rome (Italy).
2009-2012 **Adjunct Professor** on "Management of Information Systems" and "Health Information Systems" at Università Cattolica del Sacro Cuore, Rome (Italy).
Jan. 2007-Dec. 2010 **Post-doctoral research fellow** on healthcare management at Luiss Guido Carli University, Rome (Italy), Department of Business Administration.
April 2005-August 2006 **Post-doctoral research associate** at the Science of Networks in Communities (SONIC) research group at National Center for Supercomputing Applications (NCSA), at University of Illinois at Urbana-Champaign, IL (USA).

EDUCATION: DEGREES

2000-2004 **PhD in Organizational Behavior** at Università degli Studi del Molise, Campobasso, Italy. Dissertation defended on February 4, 2004. Dissertation's title: "E-mail and Participation in Decision Making: Empirical Evidence". Advisor: Professor Lucio Biggiero.
1993-1999 **B.A. in Business Administration (Laurea vecchio ordinamento)** at LUISS Guido Carli University, Rome, Italy. Thesis defended on December 1999. Thesis' title: "Business Process Re-engineering: an analysis and assessment".

CONTINUING EDUCATION

July 22-28 2012 **World Health Organization European Observatory on Health Systems and Policies - Observatory Venice Summer School 2012 - Performance Assessment for Health System Improvement, Venice (Italy)**
June 15-19, 2009 **University of Bologna & Forlì, Bertinoro, FC (Italy).** Summer School in Longitudinal Network Data Analysis using SIENA taught by Prof. Christian Steglich (Groeningen University), organized by Dipartimento di Scienze Aziendali University of Bologna & Forlì, at Centro Residenziale Universitario di Bertinoro.
April-August, 2006 **University of Illinois at Urbana-Champaign (USA).** Class on Introduction to Academic Writing (ESL 501).
June, 15-20, 2002 **Carnegie Mellon University, Pittsburgh (USA)** Summer Institute at CASOS (Computational Analysis of Social and Organizational Systems) in Social Network Analysis and Organizational Simulations.
September, 3-12, 2000 **Scuola Universitaria di Management d'Impresa, Pinerolo, TO (Italy)**

Summer School in Teaching Methodologies, organized by Accademia Italiana di Economia Aziendale (AIDEA).

RESEARCH EXPERIENCE

- Mar. 2012 – June 2012** “**Monitoring the Performance of Clinical Directorates in Italy**”. Project commissioned by Ministry of Health. My roles: coordinator, senior researcher.
- Dec. 2010-Dec. 2012** “**Governance of the Italian Tansplant Network**”. Project commissioned by Centro Nazionale Trapianti (National Transplant Centre). My role: senior researcher.
- June-Dec. 2010** “**eHealth Policies: Comparison of Regional Health Plans**”. Project commissioned by CNR (National Research Centre) under the “Connected Health” program. My role: senior researcher.
- Since February 2009** **ANCIEN “Assessing Needs of Care In the European Union”**: research project funded by the European Commission under the 7th Framework Programme, Cooperation, Challenge Health. My role and tasks: Work Package leader on the issue about quality indicators of long-term care; involved in the WP on technological issues for long-term care.
- Sept. 2008 – Oct. 2010** “**Knowledge networks in communities of practice: the impact of social capital on innovation diffusion among pediatricians**”: research project funded by Italian Ministry of University & Research under the program PRIN 2007. Coordinator: LUISS Guido Carli University. My tasks: development of the project proposal, coordination of partners, review of the literature, data gathering, data analysis, dissemination, management.
- May 2007 – May 2009** “**Quality assessment of Italian undergraduate healthcare educational programs**”: research project funded by *Conferenza Permanente dei Presidenti dei Consigli di CLM in Medicina e Chirurgia* (Association of the Directors of the Italian Undergraduate Programs at Medical Colleges). Tasks: development of a questionnaire for the quality assessment of healthcare educational programs.
- April 2007 – June 2007** “**L’innovazione tecnologica nel SSN: overlapping delle tecnologie e governo dei processi di innovazione**” (“Technology Innovation in the Italian Healthcare System: Overlapping Technologies and Management of Innovation Processes”): research project funded by Ministry of Health, led by Policlinico A. Gemelli, Roma. Tasks: literature review on the innovation processes in the medical device industry.
- April 2005 – Aug. 2006** “**SONIC: Science of Networks in Communities**”: research project funded by NSF and other institutions at the National Center for Supercomputing Applications. Tasks: review of recommender system algorithms; development of a network-based recommender system for a cybercommunity of scholars.
- Sept. 2004- April 2005** “**Competition, cooperation and knowledge networks in high-tech sectors of Lazio**”: research project funded by FILAS S.p.A, coordinated by Scuola di Management at Luiss Guido Carli University. Developed questionnaire, gathered data, analyzed data, and wrote reports and papers for publication.
- Jan. 2002 – Dec. 2003** “**Virtual Organization and Digital Marketplaces**”: research project funded by MIUR (Italian Government Department for research activities and university), coordinated by CeRSI research center at Luiss Guido Carli University. Tasks: proposal preparation, review of the literature, dissemination.
- May 2001 – Oct. 2003** “**COMMORG: Organizational consequences of e-mail introduction, adoption, and diffusion**”: project funded by the European Commission under the IST Program (FP5) and coordinated by Scuola di Management at Luiss Guido Carli University. Tasks; proposal preparation, project management, development of research tools and methods, collection of data, analysis of data, dissemination.

January-June, 2002 **Visiting Research Scholar** at University of Illinois, Urbana-Campaign, Illinois (USA), Department of Speech Communication. Participation in the project **“Co-evolution of Knowledge Networks and 21st Century Organizational Forms”**, funded by National Science Foundation under the program Knowledge and Distributed Intelligence. Tasks: analysis of data.

TEACHING EXPERIENCE

Since 2014 **Instructor of “Business Organization”** at LUISS Guido Carli, Rome

Since 2013 **Instructor of “Strategic Analysis in the Public Sector”** at LUISS Guido Carli, Rome

Since 2012 **Instructor of “Management”** at LUISS Guido Carli, Rome

Since 2009 **Adjunct professor at Università Cattolica del Sacro Cuore**, Rome, Italy: class on “Management of Information Systems” and “Management of Health Information Systems”

Fall 2008 **Instructor at LUISS Guido Carli University**, Rome, Italy: class on “Organizational Design (Advanced)” held by Prof. Franco Fontana.

March 2009 **Instructor** of Strategies e Organization Design for the educational program “Innovare per Competere (Innovating for Competing)”, commissioned by Confindustria Foggia (the industry association of Foggia, Italy).

September 2008 **Instructor at Luiss Business School**: class on “Organizational Design” at the Aviation MBA, Rome, September 4-5.

May 2008 **Instructor at Università degli Studi “G. D’Annunzio” Chieti e Pescara**: class on “Introduction to Clinical Governance in Healthcare Organizations”. Pescara, May 23rd.

September 2007 **Instructor at Università La Sapienza**: class “Principles of organizational design and organizational forms” at the Master program “Technologies for micro and nanoelectronics”, Sulmona.

January 2007-present **Instructor at Luiss Business School**: executive classes on “Knowledge Management” and “Organizational Consequences of ICTs”, Rome.

September-October 2005 **Member of the organizing committee** of the Workshop ‘Social Networks and Cyberinfrastructure’, held on Nov. 3-5, 2005 at the National Center for Supercomputing Applications, Urbana-Champaign, IL (USA).

October, 2004 **Instructor at IAL Abruzzo**: IFTS training class on “Information Systems development and management”, L’Aquila, October 18-20, 2004: “Organizational Design”.

2004-2005 **Teaching assistant** at University La Sapienza: classes on “Organizational Design”, Faculties of Psychology and Sociology, Rome

May, 2003 **Instructor at Centro di Competenze e Vetro S.c.r.l.**, San Giovanni Valdarno, Arezzo (Italy). Management-track course in human Resources development: “Change Management”.

2000-2005 **Teaching assistant**, Organizational Design, at LUISS Guido Carli University, Economics.

2000-2005 **Teaching assistant**, Organizational Design and Work Organization, at L’Aquila University, Economics.

OTHER PROFESSIONAL EXPERIENCE

August 2012 **Organizing committee member** of the International Workshop “Business Applications of Social Network Analysis” BASNA 2012, Istanbul, Turkey, 26 August 2012, <http://www.basna.in>

December 2011	Organizing committee member of the IEEE International Workshop "Business Applications of Social Network Analysis" BASNA 2011, Bangalore, India, 12 Dec. 2011 http://www.basna.in
June 2011	Organizing committee member of Circuits of Profit: Business Network Research Conference, Central European University, Budapest 6 June http://circuitsofprofit.com
Since June 2011	Consultant in the LUISS project on the reengineering of work processes of the Appeal Court of Venice
Since May 2011	Consultant in the LUISS project on the reengineering of work processes of the Court of Lucca
Nov. 2010 –Nov. 2011	Consultant in the LUISS project on reorganization of the National Transplant Network at Istituto Superiore di Sanità (Italian National Public Health Agency)
May-December 2010	Organizing committee member of the IEEE International Workshop "Business Applications of Social Network Analysis" (BASNA), Bangalore, India, December 15 th 2010.
March 2010 - 2011	Consultant in the LUISS project on the analysis of work processes of five Offices of Justice in the Abruzzo Region.
Dec. 2008-July 2009	Consultant in the LUISS project on the analysis of business processes of Istituto Superiore di Sanità (Italian National Public Health Institute)
Nov. 2008	Founder and administrator of the interest group "Social Network Analysis in Practice" on LinkedIn.com (about 2,000 members now)
Sept.-Oct. 2008	Co-author (with Cristina Gasparri) of the movie "LUISS Business School per il Sistema Salute" about the Healthcare Area of LUISS Business School. Tasks: Co-author of the script, interviewer, co-editor. Available on: http://www.mba.luiss.it/empha/sistema_salute.aspx
May 2007 – Dec. 2008	Development of the first edition of the Executive Master in Healthcare and Pharmaceutical Administration (EMPHA) at Luiss Business School. Website: http://www.mba.luiss.it/empha
April 2007 – present	Member of the organizing committee of the Luiss Business School's speaker series "Healthcare 'World': International Experiences of Excellence in Healthcare Management". Website: http://www.formazioneibs.luiss.it/sanitaepa/mondo_sanita.aspx
Nov. 2002-present	Reviewer for several Workshops and Conferences on Organizational Behavior, Information Systems Management, Knowledge Management, Social Network Analysis.
